

AVAILABILITY

This optional rate is available to existing customers available for and being billed under Wheatland's standard General Service rate. It is not available to customers being billed under any other Wheatland rate, including General Service Cooling or Heating or General Service Time of Day. It is not eligible for customers who also participate under any Renewable Energy, Avoided Cost or Net Metering rate or rider. Customers with usage of less than 10 kW per month in all months shall not be eligible for this rate.

Participation in the General Service High Load Factor Rate Rider is limited to customers with load factor during the past twelve months of 70% or greater [sum of 12 month kWh usage/ (sum of 12 month metered kW x 730)]. If at any point, the customer's usage changes such that the average load factor is less than 70%, the customer will be removed from this rate.

New customers indicating they anticipate load factor greater than 70% may be placed under this rider at the discretion of Wheatland.

A customer may only request to be moved to this tariff once in each twenty-four (24) -month period. A customer may request to be removed from this tariff at any time.

MONTHLY RATE

All applicable General Service rates, charges and riders shall be billed, and in addition, High Load Factor Rider Credit:

Demand Charge Credit

First 10 kW, credit per Billing kW	\$0.00
Over 10 kW, credit per Billing kW	\$4.50
