## A Day in the Life

# Wayne Parks

BY BETH LOONEY,  
 ASSISTANT GENERAL MANAGER

*Wayne Parks  
 Syracuse Journeyman Lineman  
 6 Years at Wheatland*

*Parks (left) and fellow journeyman lineman Joe Thomeczek operate the digger truck.*

It was the morning of February 25, cold, and just days after eight-inches of snow. I rolled into Syracuse to spend my day working with Journeyman Lineman, Wayne Parks. The length of the rebuild job. I took the opportunity to ask him some questions. Wayne is 26 years old and has lived in Syracuse his whole life. He is married to Leslie and has three step-children.

When I asked him some typical interview questions about his hopes and dreams, he was a bit bashful about sharing his personal life. This is in sharp contrast to what the other linemen in Syracuse said about him, which is that he's a talker. I did learn though that he likes to ride motorcycles and other motorsports ("man toys" as he calls them).

His favorite thing about working for Wheatland is the people. He said that the folks he works with in Syracuse really care about each other and make a great team. His favorite work is building line, his least favorite work is routine maintenance. Despite an aversion to paperwork, his ultimate career goal is to be a Line Foreman.

At the conclusion of my day with Wayne, we sat down to enjoy lunch. As I was enjoying our meal, I realized how cohesively this group of individuals work on this line crew. In inclement weather and dangerous conditions, these guys keep the lights on. I always appreciated their work, and now that I know them, I appreciate them, too.

**Lineman Appreciation Day is April 13**

On Monday, April 13, 2015, Wheatland Electric will be joining cooperatives from across the nation in recognizing the men and women who keep the lights on.

We proudly recognize all electric linemen for the work they perform around the clock and in particular the more than 70-plus linemen at Wheatland Electric for their service to Wheatland and our members.

Please join us by taking a moment to personally thank a lineman for the work they do. Please use #ThankALineman in your social media posts to show support for the men and women who make our lives easier every day.

### FROM THE MANAGER

## It's Annual Meeting Time!

I'd like to cordially invite you to Wheatland Electric Cooperative's 67th Annual Meeting on April 15, 2015, at the Fair Building in Syracuse.

We look forward to visiting with you, the membership, and enjoying good fellowship. We also will take the opportunity to show you what Wheatland has accomplished in the past year, and what we are planning in the future.

Wheatland will present \$1,000 scholarships to the winners of our newly-created scholarship program. The scholarship recipients will be the children of Wheatland Electric members. We will also announce the two winners of the Electric Cooperative Youth Tour to Washington, D.C., and the winner of the Cooperative Youth Leadership Camp in Steamboat Springs, CO.

As I mentioned in last month's article, the Annual Meeting is the opportunity for you to exercise one of the greatest benefits of being a member of Wheatland Electric, by voting for the upcoming board of trustees.

Wheatland Electric is not owned by far away investors. It's run by a democratically elected board of trustees, a board who is given the privilege to serve

because of your vote. Our trustees are members of your community. They are concerned with the issues you face every day because they face them too.

Bruce Mueller

So, make it a point to attend Wheatland Electric Annual Meeting and exercise your right as a member of the cooperative and vote. Lunch will be provided along with an attendance prize and the chance to win great door prizes. Looking forward to seeing you there.

Before I close, Monday, April 13, is National Linemen Appreciation Day. Wheatland linemen are incredibly talented and dedicated. They risk their lives every day so we can all enjoy the benefits and conveniences that electricity brings to our daily lives. I want to say thank you to each and every one of our linemen, thank you for your hard work and dedication to keeping the lights on and it's an honor and a pleasure to be able to lead you.

**Until next time, take care.**

**Operating Statement**  
for year ended 12/31/2014 (Unaudited)

<b>Revenues</b>	
Electric Revenues	101,347,232
Total Operating Revenue	101,347,232
<b>Expenses</b>	
Cost of Power	66,163,100
Operations & Maintenance	11,251,703

**Official Notice of Annual Meeting for Wheatland Members**

The 67th annual meeting of the members of Wheatland Electric will be held Wednesday, April 15, at the Fair Building at 806 S Main in Syracuse, KS.

A lunch will be served at 11:30 a.m. MDT. The business meeting will convene at 12:30 p.m. The following matters will be addressed:

- ▶ Reports of officers, trustees, committees and employees.
- ▶ Voting on proposed bylaws amendment(s)
- ▶ Election of trustees of the cooperative
- ▶ Any other business which may come before the meeting
- ▶ Adjournment

The 2015 nominating committee consisted of the following members: District 1, Ed Cupp; District 2, Milan Reimer; District 3, Dale Wetzel; District 4, Marvin Graber; District 5, Robert Buerkle; District 6, Clark Rusco; and District 7, Kim Miller.

The following trustees have been nominated by the nominat-

Charles Ayers

Dan Bonine

Ron Davis

Roe Johnson

Dave Lowe

ing committee for the position of trustee:

- ▶ **District 2—CHARLES AYERS**  
1335 N County Rd 13, Leoti, KS
- ▶ **District 3—ROE JOHNSON**  
1848 Rd O, Tribune, KS
- ▶ **District 4—RON DAVIS**  
500 N Gardner, Syracuse, KS
- ▶ **District 6—DAN BONINE**  
3901 19th St, Great Bend, KS
- ▶ **District 7—DAVE LOWE**  
735 W 178th St S, Caldwell, KS

Additional nominations may be made from the floor during the meeting.

Patrick D. Riley, Secretary

**Wheatland to Award \$10,000 in Scholarships at Annual Meeting on April 15**

Wheatland Electric will announce the winners of its inaugural scholarship program at its 67th Annual Meeting April 15, 2015, in Syracuse. The cooperative will give away \$10,000 total in scholarships. Recipients will be judged on their academic performance, school activities, career goals and a 1,000 word essay.

The Wheatland Board of Trustees voted to make one \$1,000 scholarship available to each of the high schools in Wheatland's service territory. Eligible high schools in Wheatland's territory are: Argonia, Caldwell, Chaparral, Conway Springs, Deerfield, Great Bend, Greeley County, Holcomb, Norwich, Scott County, South Haven, Syracuse and Wichita County.

The scholarship recipients will be the children of Wheatland Electric members, but everything else about their identities remains a secret for now. "Wheatland Electric was founded by nine visionary members and has a rich history," said Wes Campbell, Board President. "We're establishing this scholarship program to help develop the leaders of tomorrow and make sure Wheatland's future is just as bright as its past."

Wheatland got the word out

about its new scholarship program through the guidance offices at each high school. Approximately 30 students applied for the scholarships in all. The \$1,000 awards will go to students who plan to attend an accredited two or four-year college, technical or vocational school. Once the winners are announced, Wheatland will write checks directly to their schools of choice.

For their 1,000 word essay, Wheatland asked students to write on any subject about which you are passionate. That leaves topics pretty wide-open, but the cooperative offered additional guidance that was rather humorous: *The topic which you choose is a part of the judging criteria. For example, someone who is passionate about chewing gum will not likely get as many votes as someone who is passionate about finding a cure for cancer.*

So, what did student applicants ultimately write about? Here's a small sampling of their impressive topics:

- ▶ A career in radiology dedicated to helping cancer patients
- ▶ How being raised on and working on a farm shaped his/her life
- ▶ Making a difference in the world by giving back
- ▶ Pursuing a career in nursing to help others every day
- ▶ A lifelong passion for horses that shaped a career choice

**"It's an investment in our entire community, because hopefully these students will bring the new skills they learn in college back home to share with all of us."** BRUCE MUELLER

**Wheatland Annual Meeting Highlights**

In addition to unveiling its scholarship recipients, Wheatland has several other activities planned for the April 15 meeting:

- ▶ Provide FREE lunch.
- ▶ Announce winners of the Electric Cooperative Youth Tour to Washington, D.C., and Steamboat Springs, CO.
- ▶ Vote for 2015-2016 members of the Wheatland Board of Trustees, plus proposed bylaws and amendments.
- ▶ Hand out free gifts to every Wheatland member in attendance and the chance to enter a drawing for great door prizes.
- ▶ Provide members with the opportunity to ask questions, offer input and have a voice in their electric cooperative.

**ByLaws Amendment Regarding Election & Tenure of Office**

The Wheatland Board of Trustees has recommended that the following amendment be made:

**A. ARTICLE 4, TRUSTEES, SECTION 2: ELECTION AND TENURE OF OFFICE.**

Trustees shall be elected by secret ballot at each annual meeting of the members, and shall be elected for a three year term. Members of the board of trustees shall not serve more than six, three year terms beginning from and after adop-

tion of this bylaw by the membership at an annual meeting. Trustees shall be elected by a plurality vote of those members casting secret ballots at a duly convened annual meeting of members. If an election of the trustees shall not be held on the day designated herein for the annual meeting, or any adjournment thereof, a special meeting of the members shall be held for the purpose of electing trustees within a reasonable time thereafter.

**The Race is On—Get Involved in Kansas ElectroRally**

Wheatland Electric is a proud supporter of the Kansas ElectroRally program. Each year Wheatland helps to sponsor ElectroRally programs from high schools in Scott City and Great Bend.

Through the school programs, students design and construct their own electric vehicles that are used in competitive races across the state. Students often build upon the designs of previous years, searching for that slightest adjustment that will propel them to victory.

And for these ElectroRally races, the victory is not in crossing the finish line first but rather completing the most laps in an hour. This slight twist on traditional racing produces a unique result on the track.

Show up to any Kansas ElectroRally race and you will be greeted by the sight of more than a dozen unique and ingeniously designed cars, doing their best to balance speed and efficiency in order to coax their battery powered cars into making it one more lap.

In addition to sponsoring the individual

Last year, car #388 was sponsored by Wheatland Electric and represented Great Bend High School.

programs at the high schools, Wheatland also helps to put on the Sunflower ElectroRally held each spring at the Scott City Airport. Wheatland provides a number of volunteers to help with course setup, takedown, grilling hamburgers and hot dogs for all of the race participants and whatever else is needed to help make the race a success.

**This year's race will be held on Wednesday, April 22.** So, mark your calendars, bring a lawn chair and plan to arrive early to witness this impressive display of inventiveness and competitive spirit.

**Mark your calendars for April 22, bring a lawn chair and plan to arrive early to witness this impressive display of inventiveness and competitive spirit.**

In addition to sponsoring individual teams, like Scott City's car 195, Wheatland also helps with the cost and by providing manpower to the Sunflower ElectroRally held each spring at the Scott City Airport.
